# NO-PARTY CANDIDATE FILING REQUIREMENTS

A candidate, who is not representing a recognized political party, files a Filing Notification form by the filing deadline, **FRIDAY, JUNE 1, 2018**. Candidates filing in this manner are also required to collect signatures of registered voters who support their candidacy. The number of signatures required is set out in AS 15.25.160, AS 15.25.170, and varies for each office. The H06 handout is available on the Division of Elections website at <http://www.elections.alaska.gov/doc/forms/H06.pdf> to determine the required number of signatures for no-party nominating petitions.

In addition to the Filing Notification, the candidate must also file the Nominating Petition form with the required signatures by 5:00 p.m. on the date of the Primary Election, **TUESDAY, AUGUST 21, 2018**. Alaska's Primary Election is a partially closed primary. Candidates who file for office that do not represent a recognized political party will appear only on the General Election ballot. No filing fee is required.

Below is a checklist provided as a convenience to the candidate filing for office. Candidates are free to declare their candidacy in another format provided it complies with the provisions of AS 15.25.150 through AS 15.25.180.

# POLITICAL GROUPS IN ALASKA

A “political group” is an organized group of voters representing a political program that would like to gain status as a recognized political party. In order to obtain recognized status, a political group must file an application with the Director of the Division of Elections requesting that the number of registered voters for their group be tracked. An application may be obtained from the division’s website at: <http://elections.alaska.gov/doc/forms/A02.pdf>. The Director will recognize the group as a political party in accordance with the requirements of AS 15.80.008 and AS 15.80.010(26).

Until the political group qualifies as a recognized political party under AS 15.80.010(26), the political group may only field candidates for statewide and districtwide offices for the general election by filing nominating petitions as required by AS 15.25.140 - 15.25.200. Nominating petition candidates do not participate in primary elections.

The Division produces a monthly report entitled *Number of Registered Voters by Party within Precinct*. The report lists the number of registered voters within each recognized political party and political group that has applied to obtain recognized status. The report is available from any Division of Elections office or on the division’s website at: <http://elections.alaska.gov/Core/voterregistrationstatistics.php>

The current contact information for organized groups in Alaska that have filed an application with the Division of Elections can be found on the website at: <http://elections.alaska.gov/Core/politicalgroups.php>

Candidates representing a political group file a Filing Notification form, gather signatures from a specified number of qualified registered voters, and file a Financial Disclosure Statement.

There are two filing dates for nominating petition candidates:

- Candidates must file their Filing Notification form on or before 5:00 p.m. **Friday, June 1, 2018** at any Division of Elections Office for the **November 6, 2018** General Election. When filing for office, candidates must have their Financial Disclosure Statement already on file with the Alaska Public Offices Commission or must submit it simultaneously with the Filing Notification form.
- The Nominating Petition form and signatures of qualified registered voters required for the office the candidate filed for, must be received by actual physical delivery in person to a Division of Elections office on or before 5:00 p.m. on the day of the Primary Election **August 21, 2018**, or by actual physical delivery to the Division of Elections by registered or certified mail return receipt requested postmarked at or before 5:00 p.m., prevailing time, on the day of the Primary Election **August 21, 2018** to any Division of Elections Office and received not more than 15 days after that time.
