STATEMENT

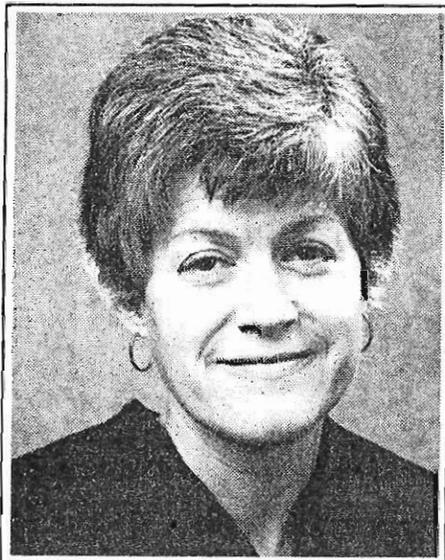

Being the Superior Court Judge serving the farthest north court in the United States for approximately ten years is both a great honor and a great challenge. I appreciate so much the support and prayers of members of the community and my family in making the often difficult decisions required by this position. These decisions are made knowing that there is no way that everyone will be satisfied with all of them. I pledge to

continue to do my best to make sure that persons and organizations appearing in my court are treated fairly. I also pledge to continue to do my best to make sure that the requirements of the legal process are made as understandable as possible to persons appearing before me, regardless of their race or language ability.

Statement

It has been an honor to serve the people of the State of Alaska while on the Superior Court Bench for the last four years. I have found my term of service to be both challenging and rewarding.

I have placed particular emphasis on helping people to settle their cases before trial to save time and money for the parties and the judicial system. Another priority has been to improve the quality of judicial services in rural communities by

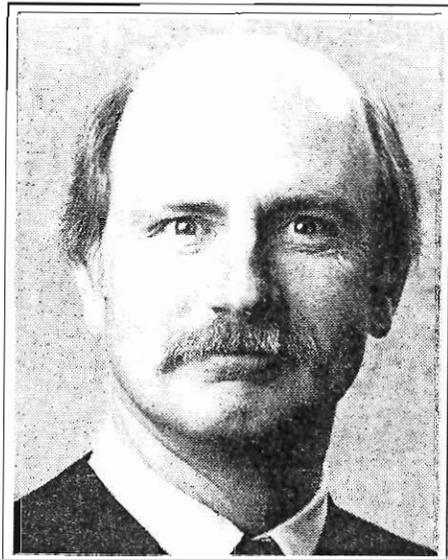

serving as a training judge for magistrates in the Third Judicial District.

I am proud of the recommendation of the Alaska Judicial Council and of the evaluations of the Alaska Bar Association and the Alaska Peace and Probation Officers. I hope to continue to serve the people of Alaska.
