As a third generation Alaskan who grew up in communities across our great state, I am deeply committed to fighting for the issues that matter most to Alaskans.

As a resource-rich state, access to our land and resources is vital to protect the self-determination promised to us at statehood. As Chairman of the Senate Energy and Natural Resources Committee, my mission is to provide safe, reliable and affordable energy to all Alaskans and fight for access to our natural resources across America.

I am continually amazed by the courage and perseverance of my fellow Alaskans and will continue to fight for the respect they deserve. I continue to learn from the wisdom of the First Alaskans. Working together, we have preserved languages and improved access to education and healthcare. Alaska is home to more than 20,000 active duty service members and 77,000 veterans. We must continue to strengthen and preserve Alaska's strategic military importance and implement reforms at the Veterans Administration so that the men and women, who dedicated their lives to us, receive the quality care they earned.

I will continue to fight for the prosperity of our state and our nation. As parents, Verne and I want a vibrant future for Alaska where our sons can share in opportunity, and someday raise their own families. It is the vision we all share for our children and for Alaska. Join me as we work together for the land and the people we love.

I respectfully ask for your vote.
