Statement:

I'm Lora Reinbold, and I'm running for re-election to represent Eagle River in the State House. I'm an Alaskan, born and raised, with an extensive business background, and a track record of hard work, collaboration, and results! I have received the District & State Republican Party endorsement.

I am a conservative and believe in smaller government, and an economy based on free market principles. Government should be prioritized to the core functions of public safety, education and infrastructure. Individual rights must be preserved, and dependence on government should be discouraged.

I take my oath to uphold and defend the State Constitution seriously, and will fight to protect our 2nd Amendment rights.

As your State House Representative, I've helped accomplish key goals: 1) secured a stable, fair, and competitive tax policy to encourage business investment (SB21), 2) education reform, including freedom in educational choice & parental rights (HB156), 3) limited the growth and cost of State government, 4) increased transparency and accountability through regulatory reform (HB140), and 5) pushed back on Common Core and other Federal overreach (HB278).

Looking forward, fiscal responsibility and economic development are my top priorities. We must strive to expand our economy, promote resource development and control spending. I look forward to working with other Legislators to create a fiscal plan that sets out our long range economic development plans and our spending priorities. A fiscal plan is a key element for a brighter future for Alaska.

On November 8th, vote **BOLD** and re-elect Lora Rein**BOLD**!
