Statement:

I have always been proud to serve you in the State House.

I'm running for reelection because state government impacts the lives of each and every Alaskan. I want the next generation to enjoy the same opportunities that were there for me when I came here almost 40 years ago.

I go door-to-door more than any other elected official and I know the families who call Muldoon and JBER home. It is a diverse community of hard working people who care deeply about the quality of life in East Anchorage. I served as Co-Chair of the House Military & Veterans' Affairs Committee for two years, and am now Vice-Chair. I am also Co-Chair of the Joint Armed Services Committee. I have a deep personal commitment to fighting for our military service members and their families. I serve as Chair of the House Judiciary Committee and as a member of the Labor & Commerce Committee.

I'm proud of the accomplishments we've achieved, especially the new Alaska Code of Military Justice. I've also made sure that our district receives needed funding for roads, schools and parks.

The experience and knowledge I have developed serving in the State House will ensure that our area is well represented in a time of shrinking revenues.

Your concerns are my concerns. I have fought hard for our district. With your blessing, I will continue to do so. I take the faith that you place in me very seriously and I would appreciate your vote.
