Assistance While Voting

If you need language or other assistance during the voting process, you may have a person of your choice help you as long as that person is not a candidate for office in the election, is not your employer, agent of your employer or agent of a union you belong to. You can have help during each step of the voting process, including inside the voting booth with reading or marking the ballot. The election workers at the polling place are available to help you as well. This is your right under federal law.

On Election Day, each polling place will have a touch screen voting machine. The touch screen voting machine is intended for the blind, disabled, and for voters who do not read well. It allows voters to vote unassisted through the use of magnified, high contrast and audio ballots. In rural areas where there are limited English proficient Alaska Native voters, the touch screen voting machine will also have an audio translation of the ballot in Alaska Native languages. Voting an audio ballot may take 15 – 20 minutes. If you need to vote using the touch screen voting machine, let the election board know.

I am running for US Senate only for **ONE** 6-year term to do **TWO** great things for Alaska: 1. **Take far better care of Alaska's veterans AND their families,** and 2. **Finally open ANWR,** in the best and most beneficial way for America, Alaska, and wildlife, to fill our 3/4ths empty Alaska oil pipeline. Please see my www.tedandfran.com website for details.

have done serving themselves instead of serving Alaska. It is so obvious to all Alaskans that for father-daughter Murkowski, it's **always** been about themselves, first and foremost, and **never** about Alaska.

Enough of their hypocritical lies! Enough of their 36 years of ANWR **failure!** Enough of letting Alaska's oil pipeline, one of the world's largest, dwindle down, year after year, to 3/4ths EMPTY, **while father-daughter Murkowski have been stuffing their pockets at Alaska's expense!**

Serving Alaska and America in the United States Senate is a privilege and an honor, and should **ONLY** be undertaken by anyone for a **SHORT** time to actually do great things for Alaskans and Americans, and then to get the heck out and go home. It's not a dynastic opportunity to sit there decade after decade doing nothing of real substance, while ripping off the taxpayer who foots the bill for senate self-service.

I will serve YOU for ONE term and leave, setting an example for those who follow!

Senators should actually vote on the hundreds of executive and judicial nominees awaiting decision. Congress must protect our social safety net including Social Security from corporate privatization schemes. Congress must make sure that Medicare/Medicaid works for all citizens and not just drug companies.

The federal government must understand Alaska's unique interests and avoid overreach. I will oppose laws that require Alaskans to do more and more with less and less money. I will listen closely to Alaska Native communities and collaborate with them to encourage self-determination and support economic development.

Alaskans value their Constitutional Rights to liberty, privacy, and to be free from government intrusion. I will fight to protect all of our Constitutional rights, including Second Amendment rights, a woman's right to make her own reproductive decisions, and marriage equality.

We need our government to work as the Framers of our Constitution intended. To do this, we need a Congress that serves the people, not the narrow interests of a political party or those with special access and power.

Ballot Measure No. 1

Alerquutngurcuumalria No. 1

An Act Allowing Qualified Individuals to Register to Vote When Applying for a Permanent Fund Dividend.

This act would instruct the Division of Elections to register a qualified Alaskan to vote when applying for the permanent fund dividend (PFD). If a person registers to vote for the first time through a PFD application, the Division of Elections would compare the person's information to state records to ensure that the person is an eligible voter. The Division of Elections would let the citizen know if he or she has been added to the state registration list, or if the person's current voting address does not match the one provided on the PFD form. In that case, the person could change their voter registration address. The notice also would allow an applicant to request removal from the registration list. Thus, using the data from the PFD form, the Division of Elections would register a qualified Alaskan to vote unless he or she opts out. The notice would also allow a person to register with a political party. Voter information is already confidential under existing state law.

Should this initiative become law?

Statement in Support Qanruyun Cingumaluku

Every eligible citizen in Alaska should have an equal opportunity to have their voice heard in our democracy. By combining the secure PFD application process with voter registration, this proposition will help protect the fundamental right of every eligible Alaskan citizen to vote—whether they are a senior in Anchorage, an active duty member of the military deployed overseas, or an Alaska Native in a rural community.

PFD Voter Registration is a small common-sense update to Alaska's elections process that streamlines government and saves taxpayer dollars by combining the annual PFD application with simultaneous voter registration. If it passes, the information submitted to the 2017 PFD application would also be sent to the Division of Elections. While the State processes your PFD, the Division of Elections will register eligible new voters and update the addresses of established voters. New voters will receive a notification in the mail to either declare a political affiliation or opt-out of the voter registration process.

We make government more efficient and save taxpayer dollars. Citizens can fill out one less government form, saving municipal clerks countless hours of manually inputting hand-written information for each voter. Meanwhile, the State saves money by printing and distributing less paper ballots. And, we stretch our resources by using the existing secure PFD application process.

The voter database becomes more accurate and secure. By using the PFD's existing secure electronic verification system, this proposal will make sure that only eligible Alaska citizens are registered to vote. This reduces the possibility that those who are not legally allowed to participate in our elections process can take advantage of it.

Every eligible voter gets an equal opportunity to have their voice heard in our democracy. By voting YES we will protect the fundamental right of every eligible Alaskan citizen to vote and will ensure that those who find it a challenge to vote are able to participate fully in our democracy. This is especially important for Alaskans serving in the military, residents living in rural communities, and Alaska Natives. It's estimated by the Division of Elections that approximately 70,000 eligible citizens living in Alaska could be registered to vote in just one year.

Ballot Measure No. 2

Ballot Measure No. 2

Allow Debt for Postsecondary Education

Statement in Support

Ballot Measure No. 2 will provide the opportunity to reduce interest rates for Alaska student loans with no cost to the State or taxpayers.

- With affordable financing for college and career training, more Alaskans can invest in the training essential to fill the high-skill, high-wage jobs of Alaska's economy
- Ballot Measure No. 2 increases access to education and training, while helping minimize student debt
- Ballot Measure No. 2 has no projected costs to the State or taxpayers, and does not increase the state budget

This ballot measure adds education loan funding to other General Obligation debts already allowable under Alaska's Constitution: capital projects and certain veteran's housing projects. The resulting debt, and all operating costs, would be paid back as students repay their education loans.

The debt will be issued through the Alaska Student Loan Corporation (ASLC), which makes loans available to students at the

lowest interest rates it can based on the bond market. For almost 30 years ASLC has issued and repaid more than \$1.1 billion in bond debt. This ballot measure provides ASLC access to lower bond rates through the state's General Obligation credit rating. Results are: 1) reduced interest rates for Alaska's student loans; 2) increased options for eligibility criteria, making the loans available to more applicants; and 3) lower-interest student loan refinance programs.

Alaska's students rely on Alaska's loan programs. They are a critical component of the state's workforce development pipeline and help build and maintain a healthy state economy. This measure is an opportunity to support Alaska's future, at no cost to the State.

Statement:

It has been an honor and a privilege to serve the people of Alaska as a judge on the Court of Appeals. The Alaska Court of Appeals is a high-volume criminal appellate court with a well-established tradition of analytical rigor and impartiality, and I have worked hard to continue those traditions and to meet the challenges of the increased caseload. I take my responsibilities as a judge on a multi-judge appellate court seriously and I strive to ensure that each case that comes before our court is decided fairly and expeditiously and in accordance with the Constitution and the laws of our state.

I have learned a tremendous amount since I was appointed and I am prepared to meet the challenges that will face our court and our state in the upcoming years. I would be honored to continue my service on the court and I hope that the voters see fit to retain me to continue this work.

Statement:

It has been a privilege and an honor to serve our state and community as a Superior Court Judge since 2006. I believe the purpose of the court system is to serve all people equally and fairly. I believe the charge to a judge is to interpret the law as enacted by the legislature as representatives of the people and apply the law to the facts. I endeavor to treat all people who appear in court with fairness, dignity, and respect. I am committed to honoring the time of jurors and providing access to justice for all participants, including those without attorneys. I listen to and consider each participant's view of the proper outcome of every case. I work hard to do the best job possible because I understand every case brought before me is very important to the parties, in particular, and in general, to Alaskans, because our citizens expect our justice system to be fair and impartial.

If retained, I will continue to work hard to satisfy my responsibility to efficiently and fairly resolve all matters brought before me and to attempt to improve the justice system in our state.

<p>Statement:</p> <p>It has been an honor and privilege to serve the people of Alaska as a superior court judge, and I hope to continue to serve in that capacity.</p> <p>My view is that a superior court judge should be fair and impartial and should provide a courteous and compassionate forum for dispute resolution. A judge should be firm but respectful. It is important that each litigant is given an opportunity to be heard by the judge and that the judge listens carefully to the litigant's concerns. These goals can be difficult to achieve, but I do my best to accomplish these goals by working hard every day and by giving careful consideration to each case.</p> <p>Being a judge is a tremendous responsibility. I am grateful to my administrative assistant, my law clerk, and the courthouse staff, and I work closely with them to provide excellent customer service to our community. I hope to continue to serve the people of Alaska as a judge, and if I am retained I will continue to uphold my oath of office and will do everything in my power to apply the law fairly, impartially, and respectfully.</p>	<p>Qanellra:</p> <p>Nanrarnarquq quyanagluni-llu Alaska-m yuinun kevgiulqa superior court-ami cuqci-stengulua, cali kevgiuqcaaryuglua tuaten.</p> <p>Tangllemni superior court-aami cuqci-stengulleq pitatatekluki allakaukivkenaki-llu pinarquq cali arenqiirturvigmi kencikluki naklekuurarlu-llu. Statement:

After serving as a District Court Judge for many years, I was appointed to the Superior Court in 2013. My years of experience as a Pro Tem Superior Court Judge have been very beneficial, and I have been enjoying the new challenges. I am grateful for the opportunity to serve the public, and I believe that I can offer the community the benefits of my many years of experience as a judge. I am committed to continuing to provide prompt, courteous and fair hearings for every person who appears in court.

In addition, I am committed to the Fairbanks community. I have lived here for 43 years, I was married here, and our three children were born and raised here. Throughout the years, I have been actively involved in various community programs and with education. I have school children come to court to learn about the legal system by doing their own mock trials. I volunteer to judge for civic programs at the local, state, and national levels. I actively participate in many of the running events held throughout the year.

I appreciate the community's past confidence in me as a judge, and will continue to earn that confidence.

<p>Statement:</p> <p>It has been a privilege to serve as a Superior Court Judge in Fairbanks. My years in private practice and my community involvement have been helpful to me on the bench. Working in many different areas of the law, working with many of Fairbanks' attorneys, and being involved in the community has given me an understanding of the law, litigants, and Fairbanks. I strive to give everyone that comes before the court a fair and respectful hearing. I work hard to be knowledgeable in the law, to decide cases impartially based on the law, and to render decisions as promptly as possible. Statement:

I am honored to serve Bethel and the many villages in our large geographic area as a Superior Court Judge. I feel that one of my greatest responsibilities as a judge is to have a positive influence on parties, attorneys, jurors and the area as a whole. My goal is to treat everyone in the courtroom fairly, with respect and leave them with a positive impression of the judicial system. In doing so, I attempt to manage time efficiently and be prompt in making decisions. I believe it is important, especially in children's cases, for the parties and litigants to make decisions quickly so that, in turn, they can make decisions. I believe that I have a good work ethic and prepare in advance for court hearings.

My work as a judge is interesting, challenging and rewarding. For almost four years I have been the judge for Bethel Therapeutic Court. This is intense and rewarding work, involving mental health professionals, attorneys and most importantly, individuals who for various reasons have come into contact with the judicial system and who are trying very hard to find and maintain sobriety. As a result of my role in the Therapeutic Court, I attended a conference where I have learned valuable tools and information that have been incorporated in Bethel's Therapeutic Court processes.

I believe that I can continue to serve Bethel and all the villages well as a judge and look forward to the opportunity of doing so.

<p>Statement:</p> <p>Serving as a District Court Judge is a humbling experience and the greatest honor of my career. My family and I love the Interior and are proud to call Fairbanks home.</p> <p>In addition to my regular duties presiding over various criminal and civil matters, I have had the opportunity to serve as one of the two judges in the Wellness Court. I am also the primary judge of the Hope Model PACE Court. These Courts provide strict structure and a meaningful opportunity for persons with chronic addictions to drugs or alcohol to learn sober, law abiding life skills. I serve as a settlement conference judge and aid in resolving disputes arising in business, property, contract, tort, mining, or family law matters. I believe that all are entitled to a fair, impartial justice system, and I strive to ensure that all participants are heard and fairly treated.</p> <p>Community has always been important to our family. We are a 4H family, I coached the Wildcats girls 10U softball team in 2015, and I engage in numerous outreach programs with various groups through the Court System.</p> <p>It would be an honor and privilege to continue to serve Fairbanks and the Interior.</p>	<p>Qanruyun:</p> <p>District Court-aami-gguq kevgiulleq ellminek pivaknaituq quyatmek-llu imangqernaqluni caliamini. <p>Statement:</p> <p>It has been an honor and privilege to serve the people of the State of Alaska as a District Court Judge since my appointment to the bench in 2009. I always strive to follow the law, to treat all who appear before me with respect and to render just and thoughtful decisions. I realize how intimidating and traumatic our legal system can be. Over the many years that I have been involved in our system of justice, I have learned to be patient and to never lose sight of the human side of people who find themselves inside of a courtroom.</p> <p>I find the position that I hold to be very interesting and rewarding. Besides being the Presiding District Court Judge and a training judge, I am also very involved with the Fairbanks Wellness Court. This therapeutic court helps repeat offenders to battle their alcohol addictions and more often than not emerge from the program as healthy productive citizens.</p> <p>If retained, I will continue to uphold my oath of office and to serve our citizens to the best of my ability. I will continue in my efforts to be a humble, hardworking and fair judge.
