Statement:

I have proven leadership experience and have been working hard to solve our serious fiscal issues.

My priorities are:

- **Excellent schools:** Education is a constitutional obligation of the state and the burden of funding shortfalls must not be shifted onto local taxpayers.
 - **Safe and vibrant neighborhoods:** Support first responders to keep our neighborhoods safe, provide opportunity to succeed, and justice for all.
 - **Fair budget plan to erase Alaska's deficit:** I did not kick the can down the road. The Republican majority that holds the gavels and controls the agenda refused to consider any proposals other than cutting Permanent Fund Dividends and this is simply unfair to Alaskans. All proposals deserve a full and fair public review.
 - **Dignity for Seniors and the Disabled:** We must take care of our elders and care for the least among us.
 - **Job training, strong university** to strengthen Alaska's economy
 - **We must end unaffordable subsidies** to the most profitable companies in the world.
- And I have consistently voted NO** on state projects that we cannot afford, don't make sense and that my constituents find objectionable.

I'd be honored to serve you once again in the Alaska State House.
