**Statement:**

Thank you for participating in the election process. It is a privilege to run for the Alaska Legislature and as a lifelong Alaskan I am concerned about the future of the **people** of the State of Alaska. There are some tough times and tough decisions ahead. As your legislator I will listen respectfully to all sides of an issue. I will seek to understand the choices available and the consequences of those choices before casting a vote. I care deeply about this State and I want my children and grandchildren to live here, raise their families here and enjoy the economic opportunities that my generation has enjoyed.

I am a conservative candidate and as your Representative I will work hard to:

Cut State spending  
Promote Public safety  
Fight for educational excellence  
Protect your Permanent Fund  
Build an environment that creates jobs

I respectfully ask for your vote for the Alaska State House. Please feel free to contact me at lvaught@gmail.com or call me at 907-441-0664.
