SPECIAL INTERESTS:
Six years as a political radio host for Dillingham and
Bethel, I love talking with dozens of legislators every
year during session to inform and educate rural Alaska
with factual information. I believe that rural voters will
wake up and recognize the lies they have been fed
for years.

OTHER:
I love the Bush lifestyle. Our kids and grandkids need
someone working in their best interest, not voting for
special interests. I’m that guy.

I’m not a bought puppet; I don’t vote special interest
agendas. I don’t support Donlin Mine.

STATEMENT:
I’m running for office for several reasons. Our kids and
grandkids future in the bush is my main concern. Their
future is in jeopardy due to gross mishandling of the
budget by the Legislature. The last ten years the lower
and middle income families have paid for out of control
government growth paid for with the peoples PFD.
The top 20% laugh their way to the bank while our
Districts Representatives make over a \$1000 a day to
vote and steal from us. The worst thieves come from
Western Alaska. They belong to the same political
party, join Binding Caucuses selling their integrity for
a Finance committee seat or such. These legislators
have guaranteed at least a Billion and half deficit each
& every year for the next decade. They also guarantee
new income or sales taxes. They stole \$1.95 Billion
from our \$2.6 Billion PFD this year. Not babies or
little elderly ladies are safe from our elected officials.
They want you on welfare. They depend on poverty
to keep you in your proper place, which is broke and
dependent on them. Break the cycle. Send an old guy
not looking for a career, wanting Term Limits, as big a
PFD as possible, spending caps and rural subsistence
priority and moving the legislature to Anchorage.

My message hasn’t changed in decades. We’re in the
worst financial shape we’ve been in. It’s the people
that we keep sending to Juneau that got us to here.
Vote Willy!
