Travel, History, Geography

Position Statement

"Nothing is so unworthy of a civilized nation as allowing itself to be "governed" without opposition by an irresponsible clique that has yielded to base instinct. It is certain that today every honest Alaskan is ashamed of his government. Who among us has any conception of the dimensions of shame that will befall ourselves and our children when one day the veil has fallen from our eyes and the most horrible crimes--crimes that infinitely outdistance every human measure--reach the light of day? If the American people are already so corrupted and spiritually crushed that they do not raise a hand, frivolously trusting in a questionable faith in lawful order in history; if they surrender man's highest principle, that which raises him above all other God's creatures, his free will; if they abandon the will to take decisive action and turn the wheel of history and thus subject it to their own rational decision; if they are so devoid of all individuality, have already gone so far along the road toward turning into a spiritless and cowardly mass--then, yes, they deserve their downfall."

I paraphrased those words written in the first leaflet of the White Rose. I offer myself as the anti-war candidate. Let it be known: Scott Kohlhaas is against the Long War. Scott Kohlhaas is against the invasions of Afghanistan and Iraq. Scott Kohlhaas is against the endless bombing of Iran, Nigeria, Somalia, Syria, Venezuela, Yemen, etc. Cast your protest vote against the Long War!
