STATEMENT:
After a 25-year career in law enforcement and building a small business for the past 5 years, I am excited to pursue another form of public service here in Alaska. I would be honored to represent the people of District 30 as their next State Representative. As a lifelong Alaskan, I am passionate about ensuring our children can all enjoy the same bounties that I have enjoyed in my life here.

I have spoken with many of you; I agree our priorities are to be:

- Fiscally Conservative: We must champion a balanced and sustainable budget.
- Diversify & Stabilize the Economy: We must encourage and attract new investment by reducing unnecessary regulations and providing for a predictable business environment to help end the outmigration of Alaska residents and businesses.
- Alaskans first for fish and game: I will fight to ensure Alaskans get first opportunities to our fish and game resources.
- Strengthen our Criminal Justice System: Safe neighborhoods through increased law enforcement presence and effective prosecution of criminals are essential for a civil society.

I bring tested leadership, as well as business experience. I will work with my legislative colleagues yet never lose sight of the interests of my constituents. I will be dedicated to participating in the process, and being present in Juneau during deliberations and votes, as I would be hired to do. I will continue to serve you with integrity as I have done my entire public safety career. Thank you for your consideration for State House District 30.
