Other (Biographical Information):

I'm just a Mom. I was born in Arizona; my mother was an AZPD Officer and moved to Alaska after gangs were targeting officers. I grew up in Eagle River, Alaska. I had a normal Alaskan childhood spending summers in Soldotna and Seward, winning the Seward Silver Salmon Derby for biggest youth fish.

I left high school early and attended Career Academy. Shortly after met my husband, started a family we have been together for 20 years. I'm the daughter of a strong determined single mother that worked for Department of Corrections for 23 years as my biggest role model in life I strive to be strong - footed in my values like she demonstrated day after day.

Position Statement

I'm a proud Wasilla mom of four running for U.S. Senate because Alaska families deserve better than career politicians.

I am not a politician — I'm offering honest service. I'm running for one term only and will sign a public contract with voters. I will donate two full years of my Senate salary to the Mat-Su School District and Alaska veterans. I will not charge Alaskans while making up for my opponent's absences.

My priorities are practical and focused on our families:

- Create Trade School Diplomas after just 18 credits so our kids can enter good-paying careers faster
- Fully fund summer school programs so students can catch up and graduate on time
- "No school, no buses, no more!" — Cut wasteful federal rules so schools can get reliable used buses
- Work with Alaskan leaders to return the full PFD to every Alaskan
- Create a separate, ironclad Helium PFD from responsible North Slope extraction — protected from legislative raids — to strengthen dividends for generations
- Provide urgent help for eroding coastal villages
- Ban wasteful trawling to protect our fisheries and subsistence users
- America First — Refuse AIPAC money and vote against sending Alaska's kids to endless foreign wars

I'm running a grassroots campaign to deliver real results for Alaska families — now, not later. I'm not here to build a career in Washington. I'm here to serve
