STATEMENT:

Steve is a lifelong Alaskan and proud Valley resident whose roots run deep in the community (the Menard Center). Born and raised in Alaska, he chose to raise his own family in the Mat-Su Valley, continuing a family legacy built on faith, hard work, and service. As a devoted Christian, family man, and outdoorsman, Steve understands the values that make Alaska a special place to live and raise a family.

In Juneau, Steve will be a strong conservative Pro-Life, Pro-2nd Amendment voice. Steve’s core belief is Life, Liberty, and Property. Steve’s conservative approach to State spending is sorely needed in Juneau so we can restore & protect a FULL PFD. We must cut programs and taxes, especially PROPERTY TAX! Steve’s first proposed legislation will be TERM LIMITS! The Founders never intended for career politicians. Power corrupts and absolute power corrupts, absolutely. Hence, a representative should be just that, a representative FOR THE PEOPLE of his district. Furthermore, there is no reason why we can’t have the Legislative Session in Anchorage, the Valley, and Fairbanks; on the road system so we can maximize participation. Keep the “Capital” in Juneau but have the Legislative Sessions routed throughout the Peninsula and Interior. This would create transparency and accountability that is desperately needed in our elected officials. Steve will work tirelessly for you, his constituents, to ensure the State has a balanced and sustainable budget.

Born here. Raised here. VOTE MENARD!
