STATEMENT:
Serving District 27 in the Alaska House of Representatives
has been one of the greatest honors of my life. I serve
because I believe government should protect our
constitutional freedoms, practice fiscal responsibility,
and create an environment where families, businesses,
and communities can thrive, not stand in their way.

During my first term, I introduced the Alaska Math Act
to strengthen student achievement, passed legislation
that became law to improve dementia training for
Alaska’s certified nursing assistants, championed
a constitutional balanced budget amendment, and
worked to protect vulnerable children while supporting
responsible resource development that strengthens
Alaska’s economy and future.

I believe Alaska’s greatest strength is its people. Strong
families, personal responsibility, local communities,
and opportunity, not bigger government, are what have
always made our state exceptional. Every vote I cast is
guided by common sense, respect for the Constitution,
fiscal responsibility, and a commitment to serving the
people of District 27 with integrity.

It would be a privilege to continue earning your trust
and serving District 27.
