Position Statement

It has been an honor and privilege to serve the Fourth Judicial District as a Superior Court Judge. In this position, it is my job to offer an impartial forum for all manner of disputes, including contract disputes, injury lawsuits, domestic relations matters, felony offenses, and child-in-need-of-aid cases. The Alaska Court System's mission is "to provide a fair and impartial forum for the resolution of disputes according to the rule of law. Fairness includes the opportunity to be heard, the chance to have the court process explained, and the right to be treated with respect." I strive daily to meet this standard. The past three years have provided me daily lessons in balancing the law, courtroom management, patience, and understanding. I look forward to continue learning and growing in this role. If retained, I will continue to place the Court System's mission at the forefront and will continue to work towards ensuring that each Alaskan who comes before the court has a fair and impartial forum in which to be heard.
